Salem, SC 29676

Dear Nan:

On behalf of Prisma Health Hospice of the Foothills Board and Oconee Memorial Hospital Foundation, we would like to extend our appreciation for your support this past year. Most importantly, we speak for those we serve, who are so very grateful that your generosity has provided loving care for them and their families, in making that last journey a peaceful and comforting one. Your kindness goes beyond fulfilling the needs of patients. It also provides the help and emotional support that families need during and after their loved one's illness.

Prisma Health Hospice of the Foothills offers in-home hospice care provided by local clinicians trained in hospice and palliative care. Additionally, we have a beautiful Hospice House where patients can come when in-home care is no longer possible. The Cottingham Hospice House stands as a tribute to you and other members of our community who have shared their precious resources to give Oconee, Pickens, Anderson, and Greenville counties the finest in end-of-life care.

Please accept our heartfelt thanks with this enclosed certificate of appreciation for the year 2021. We hope you will display it where your colleagues and customers can know that you share your heart with Prisma Health Hospice of the Foothills.

Sincerely,

Kyle Thomas, Chairman
