Keowee Key garden club plans flower show April 21

SALEM — The Lake and Hills Garden Club of Keowee Key will present a flower show April 21 from 2 p.m. to 5 p.m. at the Keowee Key Country Club.

The theme of the show is "In Celebration of Butterflies," which reflects the club's involvement with the South Carolina Botanical Garden in Clemson.

Barbara Shaver, secretary of the club, said this year's show will include 36 design entries, a horticulture collection and a special exhibits section.

She said students at Oakway High School will create a garden in the shape of a caterpillar/butterfly using vegetables, fruits and other items for the special exhibit.

P. Dodge, Chairman of the flower show

J. Leibfried, Hospitality
