SOME BASIC FACTS ABOUT DIANE

Moved with her husband from New Jersey to Keowee Key four years ago. Thinks the area is very much like northwest NJ. Lots of trees, lakes, flowers, and wildlife without the snow and ice.

Is a retired nurse.

Has an adult son still living in New Jersey who, along with his wife, has amazing flower gardens.

Has one grand-dog and two grand-kitties!

HOW I GOT INVOLVED WITH THE LHGC

+ "I heard about Garden Club from the Scuttlebutt and neighbors who are members."

**Thanks, Diane,
for joining Lake and Hills!
We're glad you did!**
