SOME BASIC FACTS ABOUT EVELYN

The beauty of the lake and mountains inspired Evelyn to move from central Virginia to Keowee Key in 2020. Evelyn's daughter and family already lived in the area, so moving to KK meant she would miss her grandchildren far less too.

Evelyn retired from teaching in 2014, while her husband Barry retired in 2020.

Evelyn has two children in South Carolina and two in Virginia.

HOW I GOT INVOLVED WITH THE LHGC

"We have been making many new updates to our home here and our latest effort is painting the house. So, that is how I met Suzie Overly who invited me to the garden club and here I am."

Thanks, Evelyn, for joining
the Lake and Hills Garden Club.
We're glad you did!
