

Lake and Hills  
Welcomes New Member

**LAURA GILLIAND**

# All About Laura . . .

Moved from the Dayton / Cincinnati, OH area a year ago.

Attracted to the area by the lake and her husband insisted there be golf!

Retired in 2018 as a data analytics consultant but had also held positions in accounting, budgeting, business management, project management.

Has two children, Kevin in Raleigh and Erica in Columbus, OH, as well as a 6-year old mini-labradoodle named Lacey.

# What Laura Hopes to Learn

“ I had a small vegetable garden in Ohio - half of it was strawberries and the other half tomatoes, various types of beans and peppers. I would like to try growing tomatoes in pots as well as herbs. This is something I've never done before but would be interested in learning how to do.”
